

# Defensible Space Is Your Responsibility

It can mean the difference between  
*- this*

## Defensible Space is State Law

These homeowners have  
taken responsibility -  
You can do the same

- Create a fire safe landscape at least **100 feet** around your home
- Mix fire resistant and native plants with green lawn
- Space trees and shrubs at least 10 feet apart
- Remove lower tree branches to prevent fire from traveling up from the ground
- Maintain your landscape with regular watering and weeding

*or this...*

Contact your local CDF facility or fire department for more information. [www.fire.ca.gov](http://www.fire.ca.gov)
